

Sorrento Grammar

Policies and Procedures

Sorrento Grammar maintains a suite of policies that support a safe, respectful and inclusive school community from Prep to Year 12.

Key Policy Areas:

- **Student Wellbeing and Safety:** Our Child Safety Policy, Anti-Bullying Framework, and Pastoral Care Guidelines ensure students feel supported and protected.
- **Behaviour and Expectations:** Our Student Code of Conduct promotes responsibility, respect and positive relationships. Restorative practices are embedded across all year levels.
- **Digital Citizenship:** Students are guided in responsible technology use under our Acceptable Use Agreement. Cyber safety is embedded in the curriculum.
- **Attendance and Uniform:** Attendance is expected daily and explained for any absences. Uniforms must be worn with pride and according to school standards.
- **Complaints and Feedback:** Our Grievance Resolution Policy ensures all feedback is heard and resolved constructively and confidentially.

All policies are reviewed regularly to reflect current legislation, best practice, and the evolving needs of our community.
